SEABOARD IS KNOCKING
AT KNOXVILLE'S DOOR

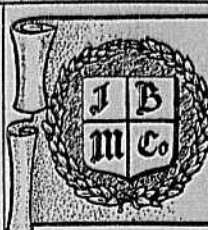

General Belief That Railroad Is
Seeking An Entrance Into
Tennessee City.

(By Associated Press.)
KNOXVILLE, TENN., February 3.—In former railroad circles it is believed that the Seaboard Air Line is seeking an entrance into Knoxville. In the past two weeks two parties of railroaders have visited this section in charge of the superintendent of the Tennessee and North Carolina Railroad, a line which extends from Newport to Waynesville, N. C. On each occasion the party has been driven some distance from the city and has apparently been inspecting routes of entrance. If the Seaboard is interested in the road would have to build from Rutherford, N. C. to Waynesville, where it could use the Tennessee and North Carolina tracks. A survey has been made from this city to Newport for a line which is believed to have a connection with the enterprise.
